Dear La Casa Member,

The past eleven months has been marked by extraordinary challenges. Far too many have endured losses as the pandemic wreaks havoc on financial stability, health, and our sense of well-being. Orangewood Children and Family Center, its residents and staff, has been particularly hard-hit.

School closures and the suspension of in-person visitations have resulted in the erosion of the children's personal relationship and connections. Disrupted daily routines like lunch with a classmate, chats with a favorite teacher after class, soccer practice comradery, and face-to-face interactions with siblings are central to a child's perception of security and well-being. In short, no part of Orangewood kids' existence has been left intact due to statewide COVID restrictions.

Last year, your donation helped fund numerous efforts toward improving the lives of Orangewood residents during the pandemic, including:

- *On-site holiday celebrations and activities.*
- *Materials for life skills courses such as cooking classes.*
- *Fun-filled adventures to ski resorts/areas.*

Please join La Casa, Orangewood Children's Home Auxiliary Organization, for another year of making a difference by renewing your membership today! Remember La Casa is a 501(c)(3) organization and your donation is tax deductible (Tax ID# 95-3681176). Alternatively, you can submit your membership application and payment information online by visiting <https://www.ochlacasa.org/donate>. If you have any questions about the renewal process, please contact us at och.lacasa@gmail.com.

As always, we thank you for your continued dedication to our important cause and look forward to serving you and the interests of Orangewood Children's Home for another year! We hope to resume fundraising events soon and anxiously await the time we can all participate safely in them.

Stay safe and well,

The Board Members of La Casa

2020 End of Year Highlights

A haunted house, winter wonderland, Pinewood Derby, and more!

Covid-19 poses daunting challenges for Orangewood and the entire child welfare system. Thanks to La Casa, Orangewood kids were able to partake in various holiday festivities while still observing statewide safety guidelines. This past summer, residents spent Labor Day weekend learning to cook on Orangewood's new BBQ-smoker - an amenity purchased with La Casa funds. During the Thanksgiving break, Orangewood fostered creativity by holding a Pinewood Derby in which residents competed for the best DIY model car. For Halloween, Orangewood's staff constructed a haunted house out of cardboard sheets. Residents dressed up as their favorite Disney and Marvel characters for a night of on-site trick-or-treating. In celebration of the Christmas season, Orangewood's dedicated and untiring staff transformed a playground into a Christmas tree wonderland, borrowing the theme from our annual fundraising event. La Casa funded the event which included a snow machine, costumes, cookie and stocking decorating, and Santa Clause. Finally, no winter would be complete without a trip to the mountains. La Casa sent Orangewood residents on an all expense paid trip to Big Bear Mountain. Mark your calendars: Christmas Tree Wonderland is scheduled for Nov. 29, 2021!

La Casa: The Who's and What's

“Orangewood Children and Family Center (OCFC) is a 24-hour emergency shelter care facility, operated and owned by the County of Orange Social Services Agency for children who have been abused, abandoned and/or neglected. OCFC is licensed by the California Department of Social Services as a group home.” (Retrieved from http://ssa.ocgov.com/ssa_volunteer/orangewood.) La Casa is a non-profit public benefit Corporation, organized for charitable purposes. La Casa's mission is to foster interest and community involvement in OCFC. More specifically, La Casa's purpose is to engage in fundraising activities and to otherwise solicit monetary contributions for the purchase of items of personal property and services required to meet the needs of children under the care of OCFC. La Casa also solicits non-monetary gifts of personal property intended for the use and enjoyment by OCFC residents. In short, we strive to ease the trauma and pain a child experiences when he or she is placed in foster care.
